

Volunteer Opportunities

About Our Organization:

Elmcroft is a senior assisted living community. By putting our hearts to work, we create a special bond with the people we serve and care for. Every associate brings with them patience, kindness and selflessness. We fulfill on a daily basis the physical, emotional and spiritual needs of our residents.

Our Goal:

To establish outside links within the community in order to keep our residents in touch with the world around them. The volunteer program will play a vital role in fulfilling the life enriching ties of our residents to their community and to the younger generation.

Volunteer Opportunities:

We are looking for any group(s), organizations, or individual(s) with any special talents, interest or simply the desire to help create memorable moments in the lives of seniors. Be prepared to have your life enriched by the experiences and relationships you will develop during the volunteer time you spend with the residents and the staff at Elmcroft.
